

Amendments to the Drawings

The attached copies of drawings filed with the application include requested amendments to FIGS. 10 and 15-18. Additionally, applicant has provided new FIGS. 6, 8, 11, 13, 14, 15, 16, 20, 21, 23, 24, and 25 to address the drawing informalities indicated on the Notice of Draftsperson's Review dated December 29, 1999, and further amendments requested by the Examiner. Formal drawing sheets for FIGS. 1-27 also are provided and replace the original sheets.

In FIG. 10, previously omitted reference number 332 has been added to indicate the spacer mentioned on page 26, line 7, of the application. Reference numbers 348, 350, and 357, not mentioned in the specification, have been deleted from FIG. 10. Applicant's proposed amendments to FIG. 11, dated August 1, 2002, have been incorporated. In FIG. 15, lamina 104 has been corrected to match lamina 104 shown in FIG. 13. In FIG. 16, extraneous lines, not mentioned in the specification, have been deleted. In FIG. 17, hatching for laminae 202 and 206 has been corrected such that laminae 202 and 206 are consistent in FIGS. 16-18. In FIG. 18, reference number 212 has been added to indicate the opening mentioned on page 25, line 15, of the application. Further, in FIG. 18, the extraneous reference number 210 indicating the flapper valve has been corrected to read 208 as mentioned on page 25, line 13, of the application, and in accordance with FIG. 16.

No new matter has been added by the amendments to the drawings.
